NACNAD BLOCKS

A modular system that allow
consistency without repetition

They can be built in different ways
and reconfigured to make a wide
variety of furniture products.

6 Differently Sized Blocks

Nacnad Blocks are like building blocks for your furniture.

They are basically your cabinets, beds, seats, desks, TV Stands or any other furniture made in smaller pieces so that they can be moved easily

With pre-drilled holes & grooves

Why?? Nacnad Blocks

Maximizes Space

Infuses your furniture with customizable storage, where you can add shelves and drawers and create multi-functional spaces e.g. loft beds with study areas or hangout zones underneath the bed.

Easy to Transport & Assemble

Are available in flat-pack option for easy transport, fully assembled blocks are available for instant use, with a simple assembly and disassembly with just a screwdriver.

Grows with you

Nacnad blocks allows for effortless furniture reconfiguration as your needs change, and can be easily rearranged as requirements evolve as well as adjust the size of your beds, cabinets and even seats when then need be.

Unleash Your Creativity

Nacnad blocks are available in a wide range of colors, stackable with accessories to enhance its functionality and expand your creations. As well as allow you to transform your basic Block into something more tailored to your needs.

NACNAD ACCESSORIES

Nacnad accessories such as shelves, drawers, doors and drawers, transforms the blocks into a versatile storage solution.

Expand your blocks functionality further with adjustable feet, legs, wheels, seating inserts, French cleats, wardrobe rails, tops, bed slats, backrest and cushions, enabling you to build diverse furniture pieces from beds, bookshelves, desks to cabinets etc...

07.

components used to & customize Nacnad blocks.

Nacnad shelves divides blocks into multiple sections; either horizontal, vertical or diagonal.

Our differently sized drawers, providing hidden customizable modular storage.

Nacnad doors keeps your things away from dust and everything behind closed doors.

Wheels transform your modular blocks into movable furniture for effortless mobility.

Our adjustable feet provide stability on uneven floors.

Wooden legs come in three heights to suit desks, tables, and seating needs.

Using curved seating inserts, create gentle arcs to full circular seating arrangements.

Convert benches into banquettes with our backrests for a more cozy seating option.

Our roll-able cushions come in different sizes to match one- to four-block modules.

Create a variety of surface needs as countertops, tabletops, work surfaces as well as extended bench surfaces

Roll-able bed slats can accommodate standard bed sizes—from single to king size

Our simple and secure French cleat system offers mounting configurations for all block sizes

The wardrobe rail converts hanging blocks into neat clothing organizers.

+

Stories of our skills, passion,
poured into every detail

Don't let worn-out upholstery, wobbly legs, or scratched surfaces diminish your home's beauty.

From minor repairs to complete restoration, we ensure your pieces look their best, allowing them to continue being a part of your story for years to come.

Furniture Repair

12

We offer a seamless pick-up and drop-off service for all your repair needs. Simply schedule a time that works for you, and we will handle the logistics.

For minor repairs, hardware replacements, and surface touch-ups, we also do Home Call services bringing our restoration team directly to your doorstep.

Furniture

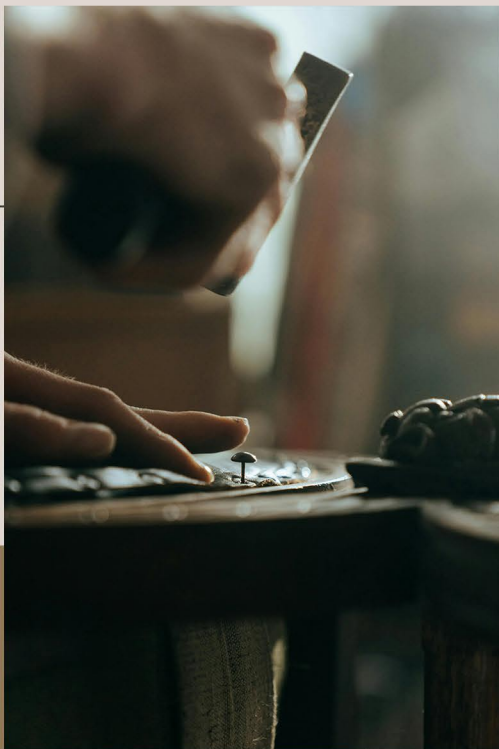

Trade In

Exchange your existing pieces for a Nacnad product, or upgrade to something custom-made, seamlessly updating your space.

13.

Ready for change?

You don't want your old furniture to go to waste? Our furniture trade-in program is perfect for you! Bring us your existing furniture, and we'll credit its value towards a brand new, custom-made piece designed exclusively for you.

Create a Project with us

We give you an opportunity to design your own product virtually before making an order. After you have chosen your desired number of blocks, you can customize your storage.

Nacnad lets you personalize your blocks with various inserts like baskets, shelves, and doors. If you can think about it! We give you a chance to create it.

SPACE & ROOM CONCEPTS

Children's Room & Teenagers Room

A child's room should be dynamic and adapts alongside its growing inhabitants! It needs to be fun and functional, from restful sleep to imaginative play, creativity and everything in between.

Adolescence is a time of exploration and self-discovery, often reflected in a desire to define their own space and personalize one's environment.

Adults Room

Starting out as an adult often means facing a harsh reality of small spaces.

Nacnad blocks help you make the most of your small room by utilizing every inch of your living area.

Maximize vertical space, by turning your room into a mini-duplex!

Perfect for those who need a dedicated work zone but cannot set aside a room for their work.

Nacnad blocks and accessories can be effortlessly configured into a variety of workspaces, from a compact reception desk, personal office, shared office area to tiered communal workstations and brainstorming tables

Office Spaces

Nacnad Blocks

6

While Nacnad blocks feature integrated storage, their versatility extends far beyond...

They can be assembled in countless configurations, allowing you to rearrange modules with ease to build furniture in various shapes, angles, and even adjust heights.

This adaptability means they can be reconfigured endlessly to maximize a room's entire volume and meet evolving needs.
