

ACCESSORIES ASSEMBLY INSTRUCTIONS

We have included the differently designed accessories under each category

Our modular design makes assembly and disassembly easy, all our accessories either slide into our blocks or attached to the block using an m6 screw or screws

The accessories either customizes the existing storage space, supplements in making a piece of furniture, Organization of your storage space, makes the block moving easily or just increase the blocks effectiveness

Tips and safety on dealing Nacnad Accessories:

1. Orientation: make sure you align the accessory in the right way.
2. DO NOT FORCE- The accessories fit the block perfectly so do not force the accessory on the block.
